Central Time -- Meet and Greet Commissioner Laura Bishop (1 hour)

520 Lafayette Rd, St Paul, MN 55155

Contact: Donya Dawson, Executive Aid to the Commissioner at 651-757-2023

Attendees:

Laura Bishop, Commissioner

Peter Tester, Deputy Commissioner

Drive 4 mins -- to Minnesota Department of Agriculture located at 625 Robert Street North, St Paul, MN 55101 (0.9 miles).

As for parking: There's metered parking on the street near their office and some in the orange level of the centennial parking ramp located adjacent to their office building. You could also park across Robert Street in the metered surface lot at the Department of Revenue and walk across the light rail to their office. However, I would recommend utilizing one of the complexes listed on the map (attached to this itinerary) and using the MDA code which will allow you to park for free at any of the lots/ramps listed on the map. Instructions for using the parking code are also attached to this itinerary.

Also important: once you arrive at their office, please go to the first floor information desk and let them know that you have a meeting with Commissioner Petersen. They'll send you to the 5th floor, and his office is located to the left when you exit the elevators.
